This year we will change the start of Compressport Trail Menorca Camí de Cavalls 185 km., the start of TMCdC will be divided in two starts at different time, because we want to try that there are not many runners who spend two nights in career. For this reason, in the inscription we are going to ask your forecast hours to finish the race. The runners who plan to make more than 35 hours will start the race on Friday at 8.00h. with the participants of Trail Menorca Costa Nord.
